About IIMS

International Institute of Management Sciences (IIMS), a non-profit management institutionsituated in West Bengal, is a pioneer institution in India to offer Management Education in the private sector since 1979. IIMS started a 2-year Full-time MBA Program from 2004 with the approval of AICTE, Govt. of India, affiliated to Maulana Abul Kalam Azad University of Technology, (Formerly West Bengal University of Technology, WBUT) at its new dedicated campus at Uluberia with modernfacilities required for world -class Management education. It is the first self financed institute in India to receive AICTE approval in 1991 for conducting PGDBA programme. IIMS School of Business was formed in 2012 for conducting International Education and other Industry oriented applied programme under its patronage.

Why IIMS?

Throughout our MBA, practical components are integrated with academic theory. We're constantly leveraging our rich network and connections with businesses Nationwide & worldwide to let you testwhat you know. For example, you'll work on 'live' project, assignment also, developing and delivering business solutions to exciting City-based organizations.

Rated very high in terms of most of the Parameters of Management Education by Appraising Authorities. Career Counseling on regular basis by experienced and expert mentors of the Industry. Regular Alumni and Industry Interactions session to bridge the gap between academics and industry. Well, Networked Corporate Link up for Summer Internship and Placements.

Continuous grooming of students through classes on Business Communication and Lab to preparethem for the Corporate World. At IIMS we emphasize on the need base Management Learning System & Industrial training programme to support our stu for better career.
